

# ADDING FINISHING TOUCHES FOR GRADUATE EMPLOYABILITY, WHILE CREATING INDUSTRY WARRIORS WHO ARE LEADING PIONEERS & INNOVATORS

Our mission is to evolve into globally renowned business skills and finishing school with a focus on Internationalism; entrepreneurship and employability through a unique learning tutelage thus making learning more effective, engaging and ensuring that the industries it caters to, are equipped with people who have the required skill set to spearhead growth, innovation and social development.

Lac Léman Center for Learning was formed with the goal to take Swiss expertise in precision works, hospitality, finance, pharmaceuticals and tourism on Global level, through structured training and internships resulting into Entrepreneurs, Leaders and Innovators. We want to create superlative professionals, fearless in expression of their skills, creativities, thoughts & with capacity to bring outcomes with a great yen to be trendsetters rather than 'followers'.

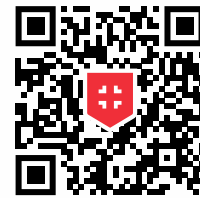

## EDUCATION ISN'T SOMETHING YOU CAN FINISH. -ISAAC ASIMOV

### ADMISSION PROCESS

## LAUSANNE, A GREAT PLACE TO BE

Lausanne belongs to a select group of truly "international" cities of the world making it an ideal place to study and learn. Many multinational organizations are located in the region due to the excellent logistical network and central location of Lausanne. In the heart of Europe, it is only one hour by air from London, Paris, Brussels and Milan. Lausanne is very near to Geneva which is well known as one of the world's major international financial centers.

A long-standing university town, Lausanne is also as an Olympic city, a sustainable city, and a place of culture. The city ranks among the safest and most developed in the world, and its residents enjoy an incomparably high quality of life and belonging. With breathtaking vistas and a rich cultural heritage, Lausanne and its surroundings are amongst Europe's most beloved tourist destinations.

Students at Lac Lemman Centre for Learning have the opportunity to participate in a variety of social, cultural, and outdoor activities. They can also discover some of Switzerland's and Europe's many wonders, either on their own or through organized activities with the Institute.
